

Discipled for Culture – Ecology and the Environment

- 1) What do you notice our culture says about the environment?
- 2) What have you changed recently because of concerns about the environmental impact?
- 3) When was the last time you appreciated the created world? Where do you go to breathe?
- 4) Read Genesis 2v4-25 – What strikes you about this passage?
- 5) What are our motives for caring for the environment and how are they different to non-Christians?
- 6) How does nature reveal something of God's character? Read Romans 1v20
- 7) Do you say grace at meal times? Why, why not? What other ways can you practice being thankful in your everyday?
